WETZEL COUNTY FILE: LC

~~RESA VI AGREEMENT~~

~~Wetzel, Marshall, Ohio, Brooke, and Hancock Counties constitute the geographic dimensions of Regional Education Service Agency VI.~~

~~RESA VI has been established to assist the Counties in providing programs or services to their students which are not feasible in single County operations. Since its inception in 1973 RESA VI programs have been established for the hearing impaired, the visually impaired, and gifted and talented children. Psychological services have been made available and various training programs have been offered.~~

~~RESA VI operates on funds provided by the State Department of Education (approximately 71 percent), Federal Funds (approximately 24 percent), and the remaining 5 percent is furnished the five counties involved in the Agency.~~
